POWERED BY ELIANT

RECIPIENT BADGE USAGE GUIDELINES

The Homebuyers' Choice Winner 2020 and Homebuyers' Choice Finalist 2020 badges may only be used in black, white, or gray. Please do not edit the recipient badge artwork to be any other color.

Recipient badges are designed to be displayed online and in email at 140px wide. We do not recommend scaling the image file to be any smaller or larger than this, as it may affect legibility.

When possible, please link recipient badge back to: <https://eliant.com/choice-awards/>
