SELECTION CRITERIA

The top honor at the Homebuyers' Choice Awards—The Eliant—is presented to the highest-rated single division homebuilders and the highest-rated multi-division homebuilders based on customers' ratings of three key measures in the Eliant Home multi-stage survey series. Captured at move-in, mid-year, and year-end, the measures are:

1. Home quality satisfaction
2. Builder met commitments
3. Customer's willingness to recommend

All other awards are given for homebuyers' satisfaction with five key elements of the purchase and ownership experience.

The categories are:

1. The Purchase Experience (Move-In Survey)
2. The Design Selection Experience (Move-In Survey)
3. First-Year Customer Service Experience (Mid-Year and Year-End Surveys)
4. First-Year Quality (Year-End Survey)
5. Percent of Sales from Referrals (Move-In Survey: "Were you referred to this builder by a friend?")

SELECTION
CRITERIA CONT.

The Most Improved Builder is awarded to the builder who has the most outstanding “Key Measures” score improvement compared to the previous year. Eliant also recognizes the Best Customer Communication of a builder, based on specific questions asked at Move-In, Mid-Year, and Year-End.

The top individual representatives in the areas of sales, construction, design, and customer service also receive awards. Homebuyers rated these representatives as the best in the nation at delivering extraordinary customer experiences.

- **High-Volume Representatives: >=25 surveys**
- **Medium-Volume Representatives: 15-24 surveys**

The Customer Experience Leader of the Year is an individual who has gone above and beyond for their clients. This award’s selection criteria is based on key measures, Most Improved, and First-Year Customer Service (Mid-Year and Year-End Surveys).

Winners of the *Eliant Homebuyers’ Choice Awards 2023* are based on scores from all surveys received from January 1, 2022–December 31, 2022, regardless of closing date.
